Biography Project

You will find a person who lived through the 1950s in the United States. You will interview him/her after submitting your list of interview questions to me. You may include questions on lifestyle, family, music, movies, food, activities, school, parties, dancing and ONE political event such as Sputnik, McCarthyism, the election of 1952 and others.

You will make an *imovie* of your results that will include visuals, music, video clips.
