World History Music Video Project

As a final project for the course, you and a group of your peers will create a Music Video that tackles one topic/event/group/era/etc. in World History (post-Roman Empire, or 5th Century AD and onwards). The groups must meet the following criteria:
- No more than 4 people per group (The exact number will be determined in each class period)
- Every member of the group must appear at least once during the video
- Videos must be 2 to 5 minutes long.
- Videos must have subtitles with the lyrics.
- A copy of the lyrics must be submitted to Mr. Medina
- Video must be uploaded to YouTube.com by the due date (Mr. Medina will provide the sign-in information for the account before that date).
- Credit must be given to the original musicians as per copyright laws.

In addition, the groups **may** do one of the following:
- Have a brief skit within the music video
- Have members of other groups appear in your video
- Have people who are not even students in the class appear in the video

The groups must be chosen and submitted to Mr. Medina no later than **Friday, April 4th.** The song melody you will be using must be chosen and submitted to Mr. Medina no later than **Tuesday, April 22nd**. The original lyrics must be submitted no later than **Friday, May 2nd**. This project is due on **Monday, May 12th.**
